Wildlife Management

Bow Hunt

Kerrville-Schreiner Park

The City of Kerrville, in conjunction with the Texas Parks and Wildlife Department, will be holding the 3rd annual wildlife management bow hunt at Kerrville-Schreiner Park, 2385 Bandera Hwy, from December 3rd through December 22nd.

Hunters are selected by a drawing process in October of each year through the Texas Parks and Wildlife Department's Public Hunt Program. Information on the program can be found at <http://www.tpwd.state.tx.us>.

In order to more fully utilize any open hunt positions, the program utilizes standby hunters. Under the standby hunter program, a prospective hunter should appear in person on the morning of the first day of the specific hunt period to have a chance to fill an available position during the three week hunt duration. In the event more standby applicants are present than positions are available, standby hunters will be selected by a drawing to be held in the park. Prospective hunters 17 years of age or younger must be accompanied by an adult.

While the Northside/Riverside area of Kerrville-Schreiner Park will remain open to all visitors, the Southside/Hillside area will be closed to all traffic and park visitors

from December 1, 2010 to December 26, 2010. We apologize for any inconvenience.

For more information, please call the Parks and Recreation Department at (830) 257-7300 or visit our website at www.kerrvilletx.gov.
